

Stepping Stones Preschool is a part of the Christian Education of Harrisburg United Methodist Church. It is open to both church members and community children from September through May. Our school policies are determined by the Preschool Committee, which is made up of church members and the preschool director. The Preschool Committee is governed by the Administrative Board of the church.

At Stepping Stones Preschool, we believe children learn best through active participation. We strive to provide activities that encourage children to grow spiritually, socially, physically, and intellectually.

The Stepping Stones Preschool staff participates in continuing education opportunities provided by such organizations as the CRS-AEYC and ChildCare Resources, Inc. Our teachers are all certified in CPR each year.

Our program operates from the Tuesday after Labor Day until the Friday before Memorial Day. We have an "open door" policy and invite you to observe and take a tour of our school at any time.

**We Provide to all children:**

- Opportunities to develop spiritually, socially, physically, and intellectually.
- Age-appropriate activities.
- Small classes with a great student/teacher ratio.
- Spiritual enrichment with "Kingdom Kids".
- Organized physical activity with "Fit n Play".
- Monthly "in-house" field trips that help enrich our curriculum.
